

Line: Complementary Products Category: Thinners	Type: Thinners for acrylic products Code: 3011.01 (Fast); 3011.02 (Slow); 3011.04 (Standard)		
Name or commercial logo: ACRYLDIL			
Nature: medium evaporation diluent derived by the cold mixing of aromatic solvents, ketones, alcohols, glycols.			
Use: product formulated to vary the viscosity of thermosetting and auto-reticulating, two-component acrylic primers, paints and polishes.			
Peculiarities: <ul style="list-style-type: none"> • it allows an excellent stretching of the acrylic products of the range Sibren, for which it has been expressly formulated; • compound produced by the mixture of non-recovering products; • the very low water content in the compound allows the stability of the characteristics of the products with which it is mixed; 			
Physical features			
Aspect: Color: Odour:	Liquid Colorless Typical	Specific weight Acryldil "Fast": Acryldil "Standard": Acryldil "Slow": Flammability T °C: Water content:	0,905 kg/l (± 0,010 kg/l) 0,905 kg/l (± 0,010 kg/l) 0,910 kg/l (± 0,010 kg/l) < 23 °C (Acryldil "Standard") > 23 °C (Acryldil "Slow") Max 0,1% of weight
Directive 2004/42/CE: Undefined product.			
Applicative data			
Use	Slow version drying time is stretched about 20%. For other applicative data see Technical Data Sheet concerning the products with which it is used.		
	Close immediately and tightly the container after use.		
	The product is HIGHLY FLAMMABLE , (See Security Data Sheet, p. 5)		
	The storage room should be dry and at a temperature between 10 °C and 35 °C. Store the product away from direct sunlight in the original sealed packaging, away from flames or sparks. The product, when stored under the above conditions, preserves itself for 12 months from the date of shipment.		
Warnings & Precautions			
	<ul style="list-style-type: none"> - Read carefully the Safety Data Sheet before use; - Product specifically for PROFESSIONAL USE; - Avoid the formation of condensates in the opened container; - Do not smoke during use; store in the original tightly closed container, in a dry place, far from sparks, flame and heat. 		

Consumer information:

The information here contained are based on our knowledge at the moment. We reserve the right to make changes in the characteristic data of the product in relation with technological progress or productive developments. Due to factors beyond our control in the applicative phase of the product, the information here contained are not a form of guarantee for specific qualities of the product itself, nor its suitability for a specific application. If a responsibility is determined, this will be limited to the value of the provided products used by the consumer. We guarantee however the constancy in the quality of our products. Our responsibility concerns only the area of the General Sales Conditions. This Technical Data Sheet supersedes all the previous.
