

Line: Finishing products Category: Hardeners for 2k special finishes	Type: Hardeners for 2:1 MS anti-scratch special finishes Code: 2041.01 (Standard); 2041.02 (Fast); 2041.03 (Slow)
Name or commercial logo: HARD AC 110	
Nature: polyisocyanic resins dispersed in solvents. Use: promoter of the polymerization of the products with a base of acrylic resin with a medium content of solids (MS), catalysis ratio 2:1. Peculiarities: <ul style="list-style-type: none"> product formulated for the total polymerization of the special anti-scratch transparent finish AC110; it does not alter the transparency, the luster and the shine of the paint, giving the system a greater protection against weathering and chemical-physical agents. it is made in the versions: <u>Standard</u>, <u>Fast</u> and <u>Slow</u>. 	
Physical features	
Aspect:	Transparent liquid free from of extraneous materials
Color:	Colorless
Odour:	Typical of solvents
Specific weight:	0,974 kg/l (± 0,010 kg/l)
Supply viscosity:	< 20,5 mm ² /sec (40°C)
Dry residue (mixing A+B):	37,50% (± 2%).
Directive 2004/42/CE:	Undefined compound.
Applicative data	
At 20 °C, using the <u>Fast</u> version, drying time is reduced about 25% while using the <u>Slow</u> version, drying time is increased about 20%. For other applicative data, see technical data sheet concerning AC110.	
	Close immediately and tightly the container after use.
	THE PRODUCT DOESN'T LIKE HUMIDITY. Store in a dry place in original container.
	The storage room should be dry and at a temperature between 10 °C and 35 °C. Store the product away from direct sunlight in the original sealed packaging, away from flames or sparks. The product if stored under the above conditions preserves itself for 12 months from the date of shipment.
Warnings & Precautions	
	<ul style="list-style-type: none"> - Read carefully the Safety Data Sheet before use; - Product specifically for PROFESSIONAL USE; - Respect all laws in force concerning the use of polyurethane product;

Consumer information:

The information here contained are based on our knowledge at the moment. We reserve the right to make changes in the characteristic data of the product in relation with technological progress or productive developments. Due to factors beyond our control in the applicative phase of the product, the information here contained are not a form of guarantee for specific qualities of the product itself, nor its suitability for a specific application. If a responsibility is determined, this will be limited to the value of the provided products used by the consumer. We guarantee however the constancy in the quality of our products. Our responsibility concerns only the area of the General Sales Conditions. This Technical Data Sheet supersedes all the previous.
